Dear Ms. Jones:

On behalf of San Quentin State Prison, please accept this very special thanks and acknowledgement for the work you have performed with the prison inmates.

As founder/director of Yeshua's Second Chance Foundation, you have, for many years, dedicated your passion, time, knowledge and resources to the inmates of San Quentin, motivating and giving them hope.

You have tirelessly assisted parolees find employment and housing. You have assisted with family reunification, facilitating a successful transition into the community.

You have assisted men with training to help them become assets to their families and communities.

We sincerely appreciate and applaud your work and we encourage you to continue your efforts, which are wholly supported by San Quentin.

Sincerely,

J.S. WOODFORD
